## Upcoming Dates

Hello LFMSS Families:

Beginning next Tuesday, May 21<sup>st</sup>, we will have six weeks remaining in the school year. These last few weeks are full of anticipation as the school year comes to a close, Grade 12's are looking forward to Grad events, and the idea of summer is on the minds of many. However, our students (and your children) still have a lot of learning to do!

Here are a few items that I would like to share...

### Attendance and Punctuality

Regular attendance and being in class on time are two expectations that we continue to remind our students of on a daily basis. We appreciate parent support as it relates to these two important matters.

### Closed Campus

Other than Grade 12 students who have permission to leave campus at lunch or during a Study Block, all students from Grade 6-11 are not permitted to leave school grounds at lunch time. We are hearing that some of our students are walking to our neighbourhood local store and we do not support this as we want to ensure that our students are safe and supervised while in our care during the school day.

### Student Celebrations and Recognitions

During the month of June, our Staff will be coordinating several student events that celebrate and recognize the fine arts, athletics, and academics (which also include our Titan Traits). Next week, a schedule of events for June will be shared with our school community.

## Traffic and Road Safety

We thank you for being mindful of our students who travel through our parking lots and crossing our streets before and after school. We also continue to remind our student drivers about following the rules of the road (in particular, as it relates to speed and too many individuals in a vehicle).

I wish you all a wonderful May long weekend.

Sincerely,

Ms. Carla Clapton  
Principal
