Issue #20

Upcoming Dates

Hello LFMSS Families:

This is our final Titan Tribune of the school year. The last two weeks have been filled with many celebrations and events. Last Thursday, we celebrated our Grads of 2024. They started their day in cap and gown and walked through our hallways so they could be recognized by our staff and students. They ended in our courtyard to share some words of wisdom and a gift to our grade 6's. They then loaded buses to visit our feeder elementary schools (Coghlan and LFES) where they were greeted and cheered on by hundreds of elementary staff and students. The culminating event of the day was their commencement ceremony at Church in the Valley.

We also recognized many students who were nominated for a Titan Award or a "Grad Who Inspires Us" award. These student recognitions were voted by our LFMSS staff who nominated those students who exemplify our Titan Traits and the core values of the Langley School District.

This month was National Indigenous History month and each week we acknowledged and practiced a new word in Halkomelom (representing hello, thank you, and good bye). Last week, our Aboriginal Support Worker, Ms. Mercredi and our VP, Mr. MacIver took some of our students fishing, while Ms. Hitchman and Ms. Shearon coached two Gr. 6 and 7 teams in the náca?mat Cup Soccer Tournament held at the Willoughby Turf fields.

Finally, the grade 6 and 7's ended their school year with a trip to Castle Fun Park. Thank you to our middle school teachers who coordinated this event!
