

Langley Fundamental Middle and Secondary School

Action Plan for Learning 2024-2025

www.lfmss.sd35.bc.ca

SCHOOL VISION/MISSION

Developing and fostering a diverse learning environment where students feel safe, believe they can achieve success, and take pride in being a Titan.

Aligning school goals and Titan traits with District core values.

Our school motto is "Home and School Working Together".

DEVELOPMENT GOALS

Intellectual Development

"All students will meet or exceed literacy and numeracy expectations for each grade level or individual IEP or AIP goals"

Human & Social Development

LFMSS Staff "will continue to develop strategies for developing compassionate learning communities that nurture the gifts of all students."

RESOURCES TO SUPPORT OUR WORK

Key Resources and Anchor Documents

District Strategic Plan
Framework For Enhancing Student Learning (FESL)
First People's Principles of Learning
Eight Elements of Change
Professional Learning Communities
'Thinking' and 'Personal & Social' Competencies
PEACEful Schools
Student Surveys
Literacy and Numeracy Assessments (Gr. 6-12)

UNIFIED ACTIONS / SCHOOL GOALS

Systems & Structures (Response to Intervention)

LFMSS Staff is committed to working within a collaborative culture engaging in Professional Learning Communities (PLC), Responses to Interventions (RTI), and Universal Design for Learning (UDL) teaching approaches to support all learners.

Instructional Practice (Framework for Teaching & Learning)

LFMSS Staff supports students with the 'thinking' and 'personal & social' competencies, self-reflection, and developing a positive growth mindset.

Social & Emotional (Creating Compassionate Classroom Communities)

LFMSS Staff will continue with professional learning as it relates to equity, diversity, and inclusivity in order to best support all students. Promoting a healthy school environment for all school community members will continue.

WHAT IT MEANS TO BE A TITAN

The Titan Traits are about honour - honour for our school community, honour towards ourselves and honour towards the principles of learning that guide us as an academic institution.

Students who embrace the Titan traits (respect, responsibility, purposefulness, concern for others, and awareness of self-worth) understand that learning is about more than just the individual. Education is collaborative and benefits the community as a whole.

"Home and School Working Together"
