

The Titans' Tribune

Home and School Working Together

February 7, 2025

Issue #11

Upcoming Dates

Hello LFMSS Families:

This Tribune is full of information both at the School and District level.

This is a reminder that Monday is a Professional Development Day and all students are not in session.

Gr. 10-12 Semester 1 (Summary of Learning) & Gr. 8-12 Linear (Informal Learning Update)

As of today, Semester 1 Summary of Learning reports for Grades 10-12 are published and available for viewing in MyED BC. In addition, the Informal Learning Update for all Grade 8-12 linear classes is also available on MyED BC. This Informal Learning Update includes a current proficiency level/letter grade/percentage depending on grade level. If you have any questions about your child's Summary of Learning/Informal Learning Update, please contact the teacher.

Athletics

Basketball league play for Grades 8-12 are finishing up and are now beginning playoffs. We are so proud of the success of our teams, as well as how they positively represent our school. Middle school basketball continues and will be wrapping up in the next month or so.

Course Planning

Our School Counselors have almost completed their course planning sessions with students. The Parent Information Evening originally scheduled for Thursday, Feb. 6th has now been re-scheduled for Thursday, March 6th. Information about this evening is included in this Tribune. Students are always welcome and encouraged to attend. Please refer to our website (see image directly where you can find the Grade 9-12 presentation that will be communicated on March 6th). If you have any immediate questions about your child's course

- Feb. 10** **Pro-D Day – students not in attendance**
- Feb. 17** **Family Day – school closed**
- Feb. 24** **Learning Update & Design & Assessment Day (Gr. 6 & 7 not in attendance)**

Please visit www.lfmss.sd35.bc.ca for the most up to date calendar of events.

COMMUNICATING
with your school
GUIDELINES FOR REPORTING AN ISSUE OR CONCERN

- 1 Start with the employee whose action has given rise to the issue or concern
- 2 Contact your principal, vice-principal, or counselor
- 3 Speak with a District Principal or Assistant Superintendent
- 4 When applicable, make an appeal to the Board of Education

Langley Schools

selections, please contact Mrs. Frost (Grade 6-8) or Mrs. Hopton (Grade 9-12).

Driver and Pedestrian Safety

This is a reminder for drivers and pedestrians to be extra cautious during all types of weather and with the ongoing traffic due to the road closure. Our school resides in a rural neighbourhood with some streets not having sidewalks. Thank you for slowing down and being mindful of all pedestrians and fellow drivers. There is also some messaging from the District about inclement weather for your reference within this Tribune.

In addition, this Tribune there is a lot of information from the Langley School District and the services that they provide for students and families. Finally, please refer to the important upcoming dates about exciting events that continue to happen at Fundy.

I wish you a wonderful weekend.

Sincerely,

Ms. Carla Clapton
Principal

Course Planning for the 2025-2026 School Year

Course planning for the 2025-2026 school year has begun.

- GRADE 9 - Classroom presentation: Thursday, February 9 MTSS

MyED BC Student Portal open for Gr 8-11 students to select courses from February 7-14

Parent Information Evening

Thursday, March 6, 2025

6:00- 8:00 PM – LFMSS Small Gym

Please join us for an information session in our small gym on Thursday, March 6th. During this session, you will be provided with information about our school and you will also have the opportunity to ask questions about how we may support your child's smooth transition from elementary to middle school.

6:00 – 6:45 PM LFES' current Grade 5 families transitioning to Grade 6
New Grade 5 families transition to Grade 6
Coghlan's current Grade 7's transitioning to Grade 8

- Introduction to the school and some LFMSS Staff
- The life of a Grade 6 Student at LFMSS
- The life of a new Grade 8 Student at LFMSS
- Question & Answer period
- School tours (optional)

If you have older children at LFMSS, there will be a second session

7:00– 8:00 PM Current Grade 8 – 11 LFMSS Students

- Introduction to some LFMSS staff
- Introduction to the graduation program and requirements
- Required academic courses for graduation
- Elective options
- Question and Answer period

Library News

Black History Month

The Library Learning Commons is recognizing Black History Month by celebrating the contributions of Black Canadians. The periodic table of Canadian Black History has QR codes that link to the Canadian Encyclopedia so students can learn about individual contributions of important Black Canadians. We also have a selection of books on display about Black history and by Black authors.

Blind Date a Book

Valentines Day is coming! Students are invited to skip the usual and discover something new in the Library Learning Commons. Pick a book wrapped in mystery, with only a few tantalizing clues about its plot. Will it be a heart-pounding thriller? A cute romance? Or a mind-bending sci-fi adventure? The surprise is part of the fun! Take a chance and let the book choose you. Who knows? It might be your next favorite read!

What's Happening Around the School

Studio Arts 3D Installation work by (L-R) Shirley, Goya, Grace, Dora

Grade 8 girls basketball Silver Medal in Langley – Congratulations!

Hot chocolate in the snow.

Health & Wellness

Social Media Awareness Family Sessions

ERASE will be holding FREE virtual sessions on social media awareness for parents and caregivers. Please share the link below in an upcoming communication with families for them to access these valuable sessions: <https://pages.saferschoolstogether.com/erase-family-session>

Generation Health Program- Healthy Lifestyle Program for Kids Ages 8-12

Please include the following in your next newsletters to families:

*Generation Health is a **FREE 10-week healthy lifestyle program** for children and their families, delivered through YMCA BC and in partnership with the Childhood Healthy Living Foundation. Program participants will meet virtually or in person to learn about healthy eating, physical activity, goal setting, body image, self-esteem and more!*

We have 4 program days to choose from: Starting in February on Tuesdays (In Person at the Tong Louie YMCA) or Wednesdays, Thursdays, or Fridays virtually from 6:30-8:30pm. This program requires prior registration through these details: phone 1-888-650-3141 or send an e-mail to generationhealth@bc.ymca.ca.

Families who join this program receive a complimentary membership to the YMCA.

This Month in the Arts - February 2025

The Arts are alive and well in Langley schools! Please check out the poster at the link below for a quick glance and overview of all of the amazing Arts events and activities happening across schools in the Langley School District in February!

February Health Messaging – Fraser Health

As part of its health promotion for students and families, our community partner Fraser Health is sharing important information on various topics. The theme for February is sexual health. Please share the following information below in your next newsletter or communication to families. This information has been shared on the District's social media channels.

Sexual Health Information (from Fraser Health)

Health, safety, and wellness continue to be a priority in our schools. To help support our students and families, we are sharing important information from our community partner Fraser Health about sexual health for school-aged children and youth. Please see below for helpful reminders to support your child.

Healthy Childhood and Youth Development includes Sexual Health

Learning about sexual health, including understanding your body and its changes, health conditions, personal hygiene, healthy relationships, consent and sexuality, are all part of growing up. Talking about sexual health can allow young people to identify their values and develop skills that promote healthy decision making and sexuality.

How do I Teach My Child about Sex and Sexuality?

Talking to your children about sexual health is important. Establishing an open and trusting relationship with your child will help them know they can come to you for honest answers to their questions about sex and sexuality.

*For help on how to talk to your child and what to include about sexual health take a look at the following information: **[Sexual education for children – Fraser Health Authority](#)***

*Learning about sexual health also means understanding sexual orientation and gender identity (SOGI). Look at these two resources for more information: **[Sexual orientation, gender identity and gender expression; Parents' Guide to SOGI in Schools / SOGI 1 2 3](#)***

Youth Clinics

*Let your child know about our youth clinics. These clinics are located across the Fraser Health region and provide free, confidential information and education regarding sexuality and health to youth up to 21 to 24 years old (age varies by site). Learn more about the services available at youth clinics: **[Youth clinics - Fraser Health Authority](#)***

Virtual Leadership Opportunities

Langley School District graduate Shaliza Jamal is the founder and Executive Director of Curated Leadership. Her company is offering these online workshops throughout the month of February:

Black Excellence and Navigating Anti-Black Racism in the Workplace (Pay what you can options ranging from 5.00 to 50.00)

[Black Excellence and Navigating Anti-Black Racism in the Workplace — Curated Leadership Inc.](#)

Master DEI Fundamentals to Amplify Your Leadership (Free)

[DEI Fundamentals — Curated Leadership Inc.](#)

Open Parachute Virtual Parent Night Presentations

(please share in an upcoming parent/guardian communication)

The Ministry of Education and Child Care, in partnership with adolescent clinical psychologist Dr. Hayley Watson from **[Open Parachute](#)**, will host three, free virtual sessions for parents, guardians and caregivers that will focus on practical skills you can teach your child and youth (ages 0-19) to prevent substance use and mental health needs. These sessions will build on a previous presentation, which focused on practical conversation tools for speaking about substance use prevention with your children/youth. The **[previous session](#)** is not a pre-requisite for this session.

Key takeaways for participants during this session:

- Learn the factors that lead to substance use and mental health needs from a trauma-informed lens
- Focus on prevention rather than intervention/response
- Applies to parents, guardians and caregivers of all age groups (youth aged 0-5, 6-10, and 11-18)

- Learn ways that these skills can be applied to yourself and the rest of your family to support the mental health of parents, guardians and caregivers

Participants must register in advance. Session dates are:

- **February 20, 6:00-7:30 pm PST**
- **February 25, 6:00-7:30 pm PST**
- **February 26, 6:00-7:30 pm PST**

Please share this information within your school community to reach parents, guardians, and caregivers of all ages. If you have any questions, please email the Mental Health and Substance Use team at educ.mentalhealth@gov.bc.ca.

Y-Minds: FREE Program for Teens, Youth, and Adults

(please share in an upcoming parent/guardian communication)

Y Mind is a FREE seven-week group program for teens, youth, or adults who are managing mild-to-moderate anxiety, stress, or worry. Two facilitators guide the group through evidence-based coping strategies based on Acceptance and Commitment Therapy (ACT), mindfulness, and self-compassion. Group sizes are kept small, with 8 to 12 participants per group to facilitate peer support and connection.

Participants may self-refer, no diagnosis of anxiety is needed, and you do not need to be a YMCA member. All Y Mind Teen and Y Mind Youth participants receive a free YMCA membership for up to 14 weeks, including 10 free guest passes to bring a friend to the Y.

To join Y Mind, you must first register for an information session where you will meet the group facilitators and complete an intake for the program. Spaces are limited, so inquire ASAP to guarantee your spot at an information session.

Langley Fine Arts School

*Are you looking for a program that encourages secondary students to **EXPLORE, CREATE, and INSPIRE?** This unique, publicly funded, K-12 fine arts school located in historic Fort Langley, combines provincial curriculum with high-level courses that develop aesthetic intelligence in student artists. Students with a passion for the arts will feel at home at Langley Fine Arts. Multiple seats are still available at the Grade 8-12 level for the 2025/26 school year. Please use this QR code to visit our website, and find out more about the application process.*

Open House – Tuesday, February 25th

Come visit us between 9:30am and 2:30pm on Tuesday, February 25th as we will be hosting an Open House!

LSS Sports Academies Information Night: Middle/Secondary

Are you looking for a way to fuel your passion for hockey, baseball or softball while still achieving your academic goals? Langley Secondary's sports academies may be the perfect fit! These high-performance skills-based programs combine on-and off-field or ice training, strength and conditioning education, and the B.C. school curriculum. Hockey academy participants will have at least 40 on-ice sessions during the semester, while baseball/softball students will spend two blocks every day in academy programming. Learn more at an upcoming information session, which is scheduled for Feb. 11, 7 pm at the LSS Learning Commons. See poster [here](#) for details. For info on baseball/softball read [here](#) or hockey read [here](#). Please note, this info session does NOT include the LSS Soccer Academy.

- Fellowship Associate
- Website Developer
- Content Creator
- Social Media Manager
- Finance Associate
- Community Engagement Associate
- Outreach Associate
- Communications Associate
- Marketing Associate
- Events Associate
- HR Associate
- VP of Finance
- VP of HR

Information About School Status During Inclement Weather

Snow closures and power outages are an annual occurrence in the Langley School District. So, where do you go to get information about the status of schools during periods of inclement weather? If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on all school websites or www.sd35.bc.ca. Updates are also posted to X (formerly Twitter) @LangleySchools and Facebook at www.facebook.com/langleyschooldistrict. If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Local radio stations are also informed of school status in Langley. Tune in to CKWX 1130AM, CKNW 980AM, Country Radio 107.1FM, Pulse 107.7 or CBC 690AM or 88.1FM for updates.

Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30am. As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.

Career and Secondary Education Information

Food Safe Certification

What Is Food Safety Certification?

A Food Safety certification is a valuable asset to have, to work in a successful food business. It gives you a competitive advantage over someone who is not certified.

Even if someone isn't preparing meals or working directly with customers onsite during their shift hours, it's still essential for them to know about proper hand-washing techniques when handling certain foods.

Food Safe Certification

40 Avenue Road Updates

The project is expected to take four to five months to complete, and as a result, 40 Avenue is expected to remain closed until summer 2025, subject to project funding, culvert supply, and environmental approvals.

[Road closure: 40 Avenue between 212 Street and 216 Street is closed until further notice. - Township of Langley](#)

Students in Distress and School Safety

Health and safety are a priority in the Langley School District. Our schools follow emergency procedures to help keep students, staff, and the community safe. Depending on the situation, communication to parents/caregivers is needed to keep families informed about incidents in our school, such as during lockdowns, hold & secures, and room clears. Sometimes these incidents may not be emergencies but are medical crises. It is important to note that the decision to send communications to families is dependent on a variety of factors including the nature of what happened, who has witnessed or was directly impacted by what happened, as well as student and staff privacy. Although communication is unique and dependent on the specific situation, there are times when a student is in distress and the incident may require a message or letter to families. In addition to communication to parents/caregivers, teachers and staff may debrief with students after an incident that may have upset them. In some cases, the school counsellor may offer support to students in need. As always, we want families to let us know if your child requires support. If you have any questions or concerns about communication related to emergencies or incidents, please reach out to the school.

Volunteer Approval and Training

There is a new District process for adults volunteering in Langley schools. All volunteers who are more than just casual volunteers must complete a Criminal Record Check, the Refresher/Training video, and complete the Volunteer Application Form, all on the School District Website. The link is: <https://www.sd35.bc.ca/our-district/volunteer-at-the-langley-school-district/> The password to access the information is **SD35Volunteer**

Financial Hardship

The District is committed to ensuring that no student of school age will be denied an educational program due to financial hardship. Within the fiscal ability of each school and the District, no student is to be denied access to programs, events or field trips that are aligned to and enhance the BC curriculum. If you have any questions or are in a situation of financial hardship, please contact the school counsellor or administrator.

Community News

Here are a few items from the Langley School District's Community Bulletin Board. For more community events please visit <https://www.sd35.bc.ca/news-events/community-bulletin-board/>
